

VOLUNTEER OPPORTUNITIES

The greatest gift we have for each other is the gift of self. The **volunteer** can significantly improve the lives of many people. In giving the gift of self we receive the most; we ourselves are blessed. In Green Valley, volunteering is our way of life, it is how we meet other interesting people, and how we get things done.

This web page identifies Green Valley organizations that need your **help**. Visit their websites where available and contact them by phone or e-mail to find out how you can be of service.
